County Commissioners Association of Ohio 457 Deferred Compensation Plan

Making your dreams a reality.

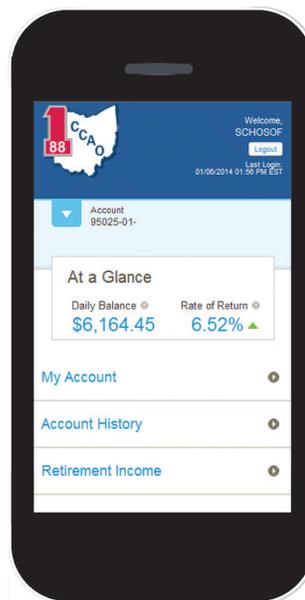

Going Mobile

With 68% of American adults now owning a smartphone, accessing key information via a mobile device has become a way of life.¹ Your mobile device can help you track your retirement readiness — any time, anywhere.

Your CCAO Deferred Compensation Plan offers a mobile Web app that can help put your retirement readiness at your fingertips. With your retirement account in the palm of your hand, you can:

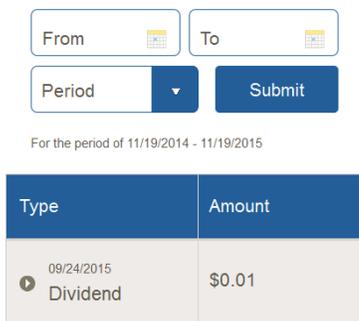

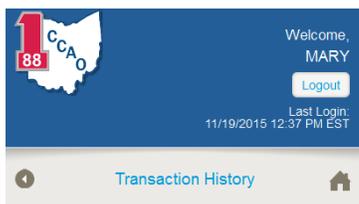

- » View your projected retirement income.² (Brought to you by Advised Assets Group, LLC, a registered investment adviser)
- » Check your account balance and history.
- » See your paycheck contribution amount.
- » Look at your current rate of return.
- » Review your portfolio's investment options.

There is also a link to the full website on every page of the app. With one tap, you can go to the full desktop site to complete transactions.

On the Go

Monitor your retirement plan wherever you go. Visit www.ccao457.com via your mobile device. Once there, the mobile Web app will automatically launch for you. And to make it even easier, you can bookmark the site or create a shortcut icon on your mobile desktop for quick access. Refer to the *Add an Icon* link on the mobile Web app if you need instructions for creating the shortcut icon.

Accessing your retirement plan account any time, anywhere, means you have the information you need to help make smart financial decisions that can benefit your overall retirement readiness. Mobile technology is a part of everyday life, and your Plan's mobile Web app helps put your retirement readiness in good hands — your own.
