# CCAO RESEARCH AND EDUCATIONAL FOUNDATION

## STRENGTHENING COUNTY GOVERNMENT THROUGH:

**IN-DEPTH RESEARCH**

**INNOVATIVE TRAINING**

**PUBLIC EDUCATION**

Founded in 1991, as a not-for-profit charitable foundation for the County Commissioners Association of Ohio (CCAO), the CCAO Research and Educational Foundation, Inc. is a 501(c)(3) organization that obtains grants and donations to provide the high-quality information, tools, and training that our members need, and the public deserves. CCAO has made a commitment to grow the Research and Educational Foundation to provide the best possible services to our members and minimize dues increases.

### Make a Donation

Contributions to the foundation are tax deductible and the Ohio Secretary of State's office has confirmed that a county commissioner's campaign committee may make a charitable donation to a 501(c)(3) organization, including the CCAO Research and Educational Foundation, so long as it remains federally tax exempt.
