A Message from CCAO President & Clermont County Commissioner David Painter

Welcome to our new County Commissioners and Council members of the Class of 2024 and 2025. There were 56 new members elected in November 2024, one new member appointed in late 2024, and one new member appointed in January 2025. You are part of a group of individuals who have a desire and vision to serve the people of your county. This opportunity affords you a chance to make positive changes to the lives of the people in your county. Congratulations, it is an honor to serve you as part of the CCAO organization!

CCAO has created this resource to highlight our new elected and appointed officials. This publication along with others from CCAO help create an information support network for our members. CCAO is committed to assist you as a new Commissioner or Council member to be successful. It's an amazing support structure for all your questions.

The strength of CCAO lies in its members. I encourage you to get involved in one or more of our standing committees and task forces. This will give you an opportunity to interact with other Commissioners and Council members, plus help set policy and priorities for our legislative advocacy staff.

Please feel free to contact our staff or any of our board members to discuss any issues or concerns you may have. Congratulations and best wishes as you serve your county. I look forward to seeing you throughout the year!
