Supporting Ohio's County Commissioners,
Executives & Councils

CCAO: Partnering with County Success

Supporting Ohio's County Commissioners, Executives & Councils

Cheryl Subler
CCAO Executive Director

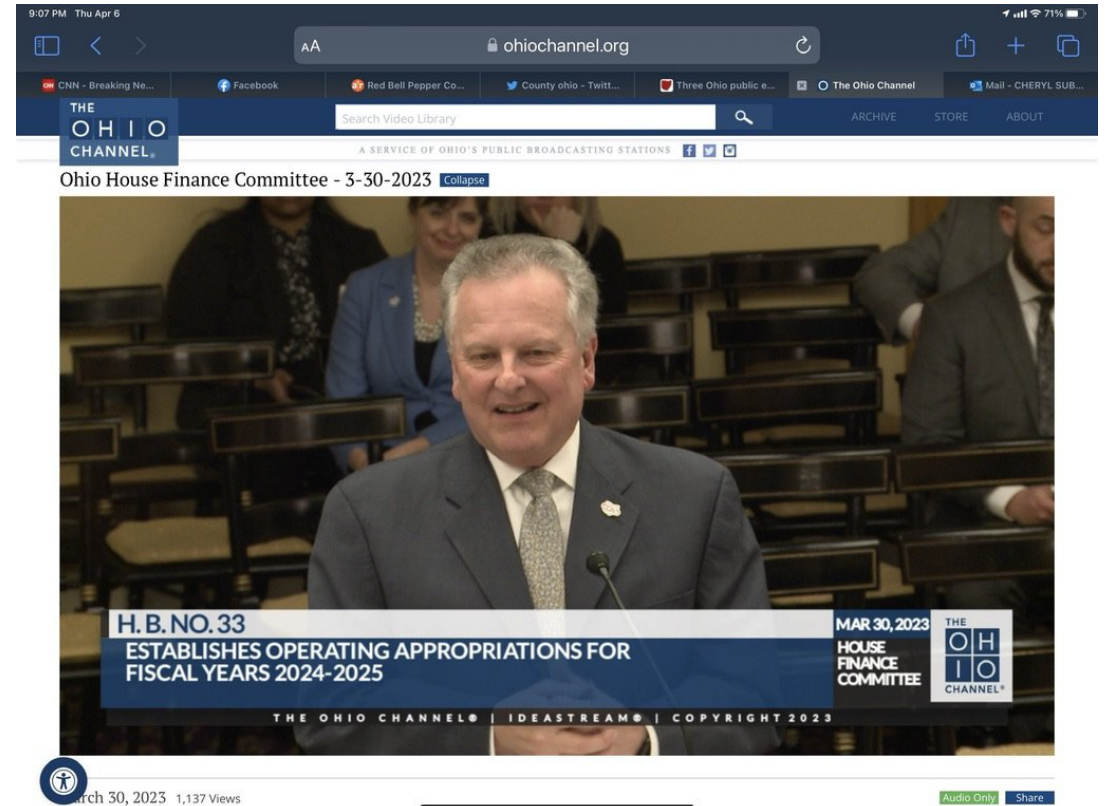

John Leutz
CCAO Assistant Director

Advocacy & State Partnership

CCAO is the voice of Ohio counties at the Statehouse and beyond.

- Advocates for county priorities in the Ohio General Assembly & with Executive Branch/state agencies
- Provides policy analysis and legislative updates
- Leads coalitions on key issues

Education & Professional Development

CCAO equips county leaders with knowledge and resources

- Hosts conferences, workshops and webinars on key county issues
- Offers technical guidance on governance, finance and administration

Innovative County Services & Risk Management ~ CORSA, CEBCO & Service Corporation

Helping counties manage risk,
reduce costs and improve
efficiency

- CORSA: Provides property & liability coverage and risk management solutions for counties
- CEBCO: Provides health care benefits and wellness for county employees
- CCAO Service Corp: Provides group purchasing programs to save counties money
- Helps counties implement

Economic & Community Development Support

Strengthening local economies and improving communities

- Provides guidance on infrastructure, broadband, and housing initiatives
- Connects counties with state and federal funding opportunities
- Encourages regional collaborations and partnerships
- Supporting State Issue 2 on May 2025 ballot ~ Public Works

Networking & Collaboration Among Counties

Counties are stronger when they work together

- Provides a platform for county leaders to share best practices
- Facilitates working groups on common challenges (e.g. jail facilities, broadband, etc)
- Encourages mentorship and peer-to-peer learning

Working Together for a Stronger Ohio

CCAO is committed to the success of Ohio's counties today and in the future

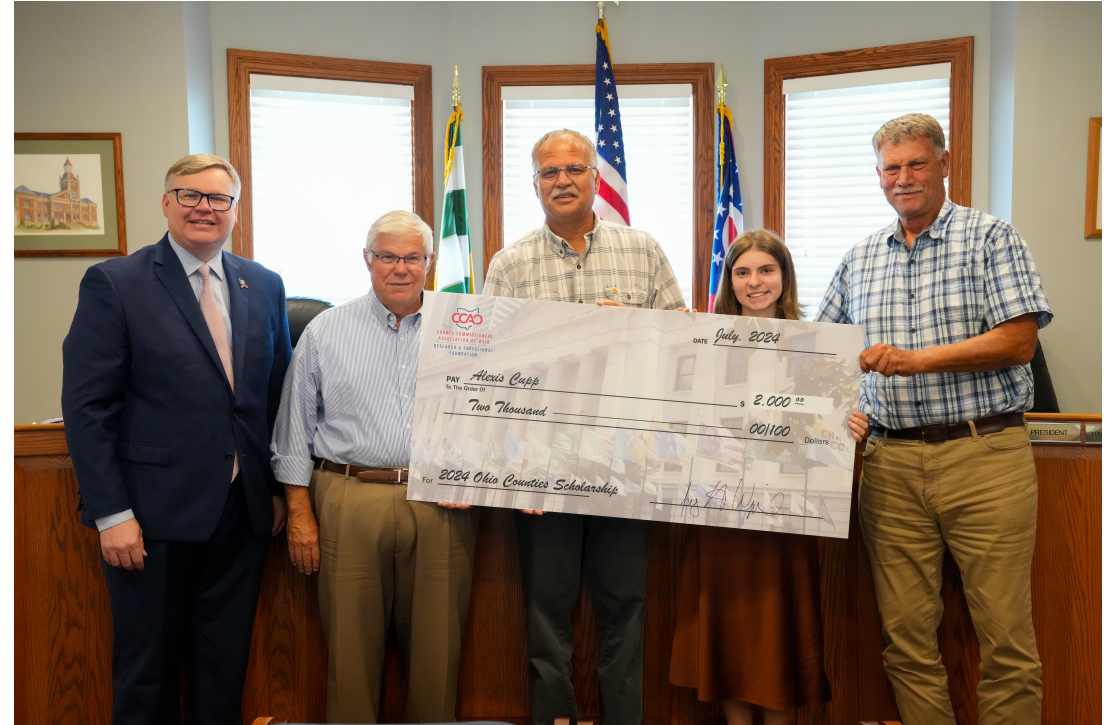

- “Teamwork for a Better Tomorrow” is more than a theme - it's our approach
- We are your resource, your advocate, and your partner in county government

Research & Educational Foundation

Working for a Better Tomorrow

- Secures grants and funding to support research, training and educational initiatives that strengthen county government and enhance public understanding of key issues
- Awards scholarships to high school seniors

Stronger Counties
Stronger Ohio
