Reminder: New Elected Official and New Staff Fraud Reporting Training

The Auditor of State maintains a fraud reporting on fraud reporting tool year. The training is part of its E-County Line that is available on demand on the Auditor of State's website. All elected officials and their staff are required to take the training. Per Ohio Revised Code, elected officials, chief fiscal officers, and other public employees must also take the training within 60 days of their first date and once every four years thereafter.

For new commissioners or council members who took office on January 2, 2025, the deadline to complete the training is February 1, 2025.

For new commissioners or council members who took office on January 6, 2025, the deadline to complete the training is February 5, 2025.

Elected officials are urged to delegate the training to another employee and must complete the training themselves.

Each elected official is given credit for attending it each term the office, and then receives a CPE certificate of completion. Elected officials must complete 3 hours of CPE credit every two years. The Auditor's Center of training will be part of each county's audit for completion. Counties may have multiple elected officials and/or employees watch the video at one time in a shared room if they choose to do so.

OCAO released a County Advisory Bulletin explaining the requirement. The Auditor of State Bulletin 2024-001 explains the new and fraud reporting requirements.

If you have questions, please contact the AOS's Special Investigations Unit at (800) 282-0370 or by using the form online.
