Leveraging Non-Profit Assistance and Public Resources for Children Services Webinar

CCAO is pleased to offer a one-hour "Leveraging Non-Profit Assistance and Public Resources for Children Services" webinar on September 10, 2014 at 9:30 a.m. Given Ohio's heavy reliance on local funds for child welfare, CCAO is fortunate to have a leader in human service planning share his ideas for maximizing opportunities for public and private resources in support of children services, including non-profit assistance for the benefit of children services. John Fisher has spent his career developing and implementing strategies for maximizing public and private resources and utilizing those resources to improve the lives of disadvantaged individuals, families, and children. This webinar is an excellent opportunity for commissioners and leaders in the human services field to learn some of the best ideas for improving resources and programming for at-risk youth.

Topics to be addressed include:

- Expanding Adoptive Recruitment Activities—Wendy's Wonderful Kids
- Community Support Teaming—Family & Children First Council
- Expanding Alcohol & Drug Case Management Services
- Utilizing TANF/PRC funds to serve families & maintain family units

SPEAKER

John Fisher has served as the Director of the Licking County Department of Job & Family Services since July 2001. As director, John is responsible for all program areas, including public assistance, children services, adult protective services, supportive services, and workforce development. His duties include program, development, strategic planning, program implementation, compliance, and performance outcomes. John has a Master of Public Administration from the University of Dayton and a Bachelor of Arts in Political Science from Muskingum University. John was a Sergeant in the United States Army Reserve.

Participants in the webinar may pose questions to the presenters who will respond during and after the power point presentation.
