

Suggestions for the CCAO 2018 Candidates Briefing Guide

Legislators:

- ✓ Call or meet one-on-one with your legislators to discuss the priorities included in the document.
- ✓ Give them a copy of the one page document entitled Stronger Counties. Stronger Partnership. Stronger Ohio. A hard copy and electronic copy will be sent to your office shortly.

Media:

- ✓ Send the sample press release included with these materials to your local media.
- ✓ Reach out to all of the media in your market – print, TV, radio to ask to discuss the document with them.
- ✓ If the local media covers your general session meetings, mention the connection between the priorities in the 2018 candidates briefing guide and local issues during your meetings to get additional coverage.

County Officials:

- ✓ Meet with other county elected office holders to discuss the priorities included in the document.
- ✓ Meet with organizations who partner with the county like OSU extension and soil and water districts.

Community:

- ✓ Ask to speak to local service clubs like the rotary club and business/economic development leaders like your local chamber. CCAO is preparing a sample speech that will be sent to you in August.
- ✓ If appropriate, ask those groups to reach out to legislators to talk about the state-county partnership and the priorities included in the document.
