2nd Wednesday Webinar Series

Census 2020: What You Need to Know

May 8, 2019

The County Commissioners Association of Ohio (CCAO) is pleased to offer a one-hour webinar on May 8 at 9:30 a.m. on “CENSUS 2020: What you need to know.”

The Census is a U.S. Constitutional mandate that provides an opportunity for everyone to be counted every 10 years. Tribal, state and local governments; community-based organizations; faith-based groups; schools; businesses; the media; and others play a key role in developing partners to educate and motivate residents to participate in the 2020 Census.

Data from the Census is used to apportion seats in the U.S. House of Representatives; conduct redistricting at the federal, state and local levels; distribute $675 billion in federal dollars to state and local governments; provide statistical support for grant applications; and help communities plan for future needs.

Key topics to be discussed:

- Census 101: what you need to know
- 2020 Census at a glance
- 2020 Census and confidentiality
- How the 2020 Census will invite everyone to respond
- Counting young children in the 2020 Census

Speaker:

Census Partnership Coordinator Rose Simmons has more than 25 years of experience in the field division with the U.S. Census Bureau working in survey data collection, staff development and training, as well as data dissemination and presentations. Rose has worked multiple decennial operations working with government officials on the Local Update of Census Addresses (LUCA), traveling as both an observer and participant during Census dress rehearsals and managing a team of partnership specialists during the 2010 Census operations. Rose holds a B.A. in Political Science and a Master’s Degree in Public Administration from the University of Cincinnati.
