COUNTY BULLETIN PROVIDES DATA ON LOCAL GOVERNMENT PERMISSIVE MOTOR VEHICLE LICENSE TAX RECEIPTS IN 2009

Attached to this edition of CIDS is Bulletin 2010 – 05 which provides data on county, municipal, and township permissive motor vehicle license tax revenue received by type of jurisdiction in 2009. Basic data for this table was provided by the Department of Public Safety, Administration Division, Tax Distribution Section. The data provides permissive motor vehicle license tax receipts by type of tax for each county, and within each county the aggregate total for municipal tax receipts, township tax receipts, and total permissive license tax receipts. Counties have the authority to enact three different \$5 tax levies, municipal corporations may enact four

different \$5 tax levies, and townships may enact one \$5 levy. However, the sum of all permissive motor vehicle license tax levies may not exceed \$20 in any taxing district.

The following table was prepared by the Tax Distribution Section of the Bureau of Motor Vehicles and provides a detailed explanation of the legal authority for each type of tax, and the rules for enactment and distribution of tax receipts. Any questions regarding the attached bulletin may be directed to Brad Cole, CCAO Managing Director of Research, at (614) 220-7981 or bcole@ccao.org.

County Levies

ORC Section	Amount	Distribution Rules
4504.02	\$ 5.00	100% of the revenue collected is distributed to the county (Municipalities can request from the county a portion of this revenue, per the Ohio Revised Code) (Counties have the authority to enact this tax at anytime, however can not collect revenue from a municipality already enacting 4504.06)
4504.15	\$ 5.00	If a municipal registration: 50% to the municipality, 50% to the county If a township registration: 30% to the township, 70% to the county. (Counties have the authority to enact this tax at anytime, however can not collect revenue from a municipality already enacting 4504.17)
4504.16*	\$ 5.00	If a municipal registration: 100% is distributed to the county If a township registration: 30% to the township, 70% to the county. (*Effective January 2002, 4504.051 allows an increase or decrease in the allocation to townships by passage of a resolution and county approval.) (Counties have the authority to enact this tax at anytime, however can not collect revenue from a municipality already enacting 4504.171)

Municipal Levies

ORC Section	Amount	Distribution Rules
4504.06	\$ 5.00	100% to the municipality (Municipalities can not enact this tax if the County is already enacting 4504.02)

HEALTH CARE REFORM PRESENTATION

CCAO and CEBCO are presenting an informational program on the Health Care and Education Affordability Reconciliation Act of 2010 on July 27, 2010 at 10:00 a.m. This meeting is open to all counties and is intended to include county commissioners and any applicable staff. The presentation will be given by Toni Donahue, Vice President of Aon Consulting, Inc., and will last approximately two hours.

Reservations are required to help CCAO/CEBCO determine a centrally-located meeting location for the presentation. If a large contingency of county participants respond, we may have to change the venue to accommodate the number of attendees.

Please RSVP to Debi Burnette, CEBCO Enrollment & Billing Specialist by today, July 9, 2010. Fax your response to (614) 229-4588 or e-mail it to dburnette@ccao.org. We hope that everyone will consider

attending to learn about the new aspects of the Bill and what will be required of counties in the immediate future.

FUTURE CHANGES IN OPERS; 2ND WEDNESDAY'S SEMINAR – JULY 14

CCAO will be hosting “Future Changes in OPERS” – the fourth in a series of “Second Wednesday’s” seminars – on Wednesday, July 14 at the CCAO Offices, 209 East State Street, in Columbus.

This seminar will focus on the recommended benefit changes that the Ohio Public Employees Retirement System (OPERS) Board of Trustees submitted to the Ohio Retirement Study Council in November 2009. These changes to benefits are designed to strengthen the pension system, with the added goal of maintaining adequate funding for health care. Depending on legislative implementation, the recommended changes to benefits will build on past actions by the Board to prepare for longer life expectancies of retirees, to encourage member engagement in their retirement planning and to correct inequities resulting from benefit subsidization.

The seminar will begin sharply at 9:30 a.m. and will conclude promptly at 12:30 p.m. Registrations will be accepted only by email. Seminar information is posted on our website at www.ccao.org. Coffee will be served during the morning and lunch will be on your own. Best of all, no registration fee will be charged! To register, contact Janet Erwin, CCAO Administrative Assistant, at jerwin@ccao.org.

OHIO CAUCUS LUNCHEON - NACo ANNUAL CONFERENCE

Registrants attending the NACo Annual Conference should plan to attend the Ohio Caucus Luncheon to be held on Monday, July 19 from 12:15 to 1:45 p.m. at the Cafe’ Alfresco located at the Atlantis Casino Resort. All Ohio voting delegates should plan to attend to discuss our support for one of the three NACo Vice presidential candidates. For more information, contact Mary Jane Neiman, CCAO Public Relations Associate, at (614) 220-7979 or mjneiman@ccao.org.

CCAO STAFF UPDATE

WELCOME SHERRY BARBOSKY

CCAO is pleased and excited to announce a new addition to the CCAO staff. On July 19, Sherry Barbosky will join the CORSA team as the Underwriting Manager. Her primary duties will involve coordinating the annual renewal process, monitoring underwriting policies and procedures, and overseeing the functions and services of CORSA’s reinsurers, brokers, and service providers. She will also be working with Beth Miller, CORSA Claim & Litigation Manager, on the various CCAO Workers’ Compensation programs.

Sherry brings to CORSA a wealth of insurance and risk management experience and expertise. She has been an insurance agency owner, and she currently is an Account Executive for both Ohio and national accounts in the Delaware office of Smith- Feike-Minton (SFM), an Ohio-based regional insurance agency. She has earned the prestigious Certified Risk Manager and Certified Insurance Counselor designations. Sherry is no stranger to county government, as her responsibilities at SFM include serving as the CORSA agent for Delaware County.

Sherry has been active in the leadership of several Delaware County community and service organizations, including serving as chairs of the Impact Council and an Annual Campaign of the United Way of Delaware County.

Please join us in giving Sherry a warm welcome when she begins her CCAO service on July 19!

STATE ACTIVITIES

CCAO SUPPORTS EFFORT TO OVERTURN COMMON PLEAS COURT DECISION ON EMINENT DOMAIN CASE

CCAO has joined the Ohio Township Association and the Cuyahoga County Law Directors Association in the filing of an amicus brief seeking to reverse a common pleas court decision in the case of Amore v. Ohio Turnpike Commission (case no. 25227, 9th Dist. Ct. of App.) In this case a plaintiff alleged that the action of the Ohio Turnpike Commission to expand from two to three lanes on land already owned by the Commission represented a taking of private property for which the plaintiff should be compensated.

The amicus brief argues that the common pleas court judgment “affects every highway, street or roadway improvement project by any state or local governmental entity” and would “have disastrous fiscal ramifications for those entities and the public they serve.” The brief goes on to argue that the judgment “could be applied to virtually every public improvement project, not just road projects, by local or state government. The broader consequences of this erroneous judgment would be even more devastating to the public interest and on a magnitude that is almost unthinkable.” The brief also argues that a mere damaging of private property by an increase in traffic and noise did not rise to the level of a taking for which compensation would be warranted.

The amicus brief was filed June 28th with the 9th District Court of Appeals in Summit County.

HEALTHY WORKSITE AWARDS

The Ohio Department of Health, Office of Healthy Ohio is currently accepting applications for the 2010 Healthy Worksite Awards. The awards recognize Ohio employers that demonstrate a commitment to employee health by incorporating comprehensive worksite health promotion and wellness programs. It acknowledges efforts to facilitate and encourage employee health, enhance productivity and ensure a healthy work environment.

Applications will be judged in two groups: small employers (fewer than 300 employees) and large employers (301 or more employees). All worksites, regardless of size or public, private, for-profit or non-profit status, are encouraged to apply. A copy of the Healthy Worksite Award and additional worksite wellness resources can be found at the Healthy Ohio website at www.healthyohioprogram.org. Application deadline: October 12, 2010. For more information about the award program, contact Debra Smith at (614) 644-8492 or debra.smith@odh.ohio.gov.

PUBLIC VOTE CHOOSES THOMAS EDISON TO STAND IN STATUARY HALL; COMMITTEE TO MAKE FINAL SELECTION

Every state sends two U.S. senators to Washington, but few people realize that every state also sends two representatives to National Statuary Hall located in the U.S. Capitol in Washington, D.C. Since the 1880s, statues of James Garfield and William Allen have served as Ohio’s two representatives in Statuary Hall in the U.S. Capitol.

Legislation was enacted in 2006 creating the National Statuary Collection Study Committee and to set up a process to replace Allen's statue due his view on slavery. The committee, comprised of members of the Ohio House and Senate, held numerous hearings to gather input. In February, the committee narrowed a list of more than 90 nominees to 10 finalists and asked the Ohio Historical Society, Cincinnati Museum Center and Western Reserve Historical Society to conduct a public vote.

More than 37,000 Ohio residents of all ages across the state voted from March 20 - June 12, 2010, for one of the 10 nominees for this honor. The top vote-getter with 14,261 votes (30.5%) was the world-famous inventor Thomas Edison, a native of Erie County (Milan). The Wright Brothers from Montgomery County (Dayton) finished second with 13,363 votes (28.6%) followed by Jesse Owens with 4,921 votes (10.5%). Of the total 46,723 votes, 25,503 were cast by adults and 21,220 by students.

The National Statuary Collection Study Committee will consider the public vote to be the greatest single factor in making its final recommendation to the full General Assembly for approval. Plans for when the Committee will reconvene will be announced in the near future.

Once the decision has been made and private funds have been raised, the new statute will join the statue of President James Garfield as Ohio representatives in Statuary Hall. The Ohio Statuary Hall Commission was established to raise the private funding necessary to commission the new statue to send to Washington and make arrangements for bringing Governor Allen's statue home to Ohio. In the meantime, please direct any questions about voting to ohiostatue@ohiohistory.org. For questions related to the National Statuary Collection Study Committee, please contact Sen. Mark Wagoner, chairman, at SD02@senate.state.oh.us or by calling (614) 466-8060.

FEDERAL ACTIVITIES

COLLECTIVE BARGAINING MANDATE PASSES HOUSE

Last week, the U.S. House passed the Public Safety Employer- Employee Cooperation Act (H.R. 413). The bill was attached to the Iraq/Afghanistan War Supplemental Appropriations legislation, (H.R. 4899).

H.R. 413 mandates that state and local governments enter into collective bargaining agreements with their public safety employees and provides minimum collective bargaining standards for state and local police, firefighters and emergency medical technicians personnel. The legislation has serious fiscal and administrative implications on counties because no funding is provided for state or local implementation.

Under H.R. 413, every state's laws must at a minimum provide the following bargaining rights to public safety employees:

- Grant public safety officers the right to form and join a labor organization that is, or seeks to be, recognized as the exclusive bargaining representative of the employees.
- Require public safety employers to recognize the employees' labor organization and agree to bargain with the union.
- Provide for bargaining over hours, wages and terms and conditions of employment, and
- Require enforcement through state courts of all rights, responsibilities and protections provided by state law.

If a state's current public safety collective bargaining laws are not adequate, the legislation would force states and localities to adopt federal collective bargaining standards. However, in Ohio, we already have extensive laws requiring collective bargaining for public safety employees. The federal proposal may expand on the

types of employees Ohio considers safety employees, and thus Ohio's laws may need to be amended. But, the federal proposal requires the FLRA to determine if each state's and localities' collective bargaining laws are substantially compliant with the new federal standards. If Ohio's laws are not compliant, the state will get a period of time to cure those laws. If a state's laws are substantially compliant, the state is not required to follow the federal guidelines. Only if the FLRA finds that a state or local law is not substantially compliant, and the state or locality does not amend the law, will that state or locality be subject to the federal standards.

NACo has joined with the National League of Cities, the National Sheriffs' Association, the International Association of Chiefs of Police, International Public Management Association - Human Resources and other organizations to oppose this legislation. If you have any questions or comments, please contact Deseree Gardner, NACo Associate Legislative Director, at (202) 942.4204 or dgardner@naco.org.

HOUSE AGRICULTURE APPROPRIATIONS SUBCOMMITTEE APPROVES FY2011 AGRICULTURE BILL

On June 30, the House Appropriations Subcommittee on Agriculture, Rural Development, FDA and Related Agencies approved the FY2011 Agriculture Appropriations Bill. The spending legislation proposes \$23 billion in total discretionary spending, \$210 million below the FY2010 enacted level and \$27 million below the President's request.

NACo's top rural development priority, the Rural Innovation Initiative, was included in the bill. This new initiative was included in the President's budget and is funded at \$176 million. NACo led the national effort to secure support for this initiative because it will reorient a portion of existing USDA Rural Development programs towards a focus on innovative regional economic development projects tailored to local needs and priorities.

NACo appreciates the efforts of Subcommittee Chair Rosa DeLauro (D-Conn.) and Representative Marcy Kaptur (D-Ohio), who worked with NACo to include the locally flexible initiative. Overall USDA Rural Development Programs, which provide critical infrastructure funding to local governments, are funded at \$2.85 billion, which is a decrease of \$127 million from the 2010 enacted level, but \$65 million more than the President's budget request. Details on specific programs are not available, but most programs utilized by counties should stay the same as the FY2010 enacted level, because \$120 million of the cuts will come from a shift to higher borrowing costs for low income rural home owners in the 502 guaranteed home loan program.

The legislation may now move to the full House Appropriation Committee or it may never come before the full committee, but instead be wrapped into an omnibus bill this fall. The Senate Agriculture Appropriations Subcommittee has not yet scheduled a markup or previewed their version of the bill. NACo will keep members posted on future developments as they become available. For more information, contact Erik Johnston, Associate NACo Legislative Director, at (202) 942-4230 or ejohnston@naco.org.

NOTE:

(1) The county permissive license tax authorized by ORC 4504.02 requires all funds from municipal registrations to be placed in a fund for use by municipalities upon application to the county. These figures include total county receipts before setting aside municipal funds.

(2) The county permissive license tax receipts attributed to ORC 4504.15 and 4504.16 reflect total net revenue available to the county after the required distributions to municipalities and townships. Of the tax authorized by ORC 4504.15, 50% of receipts from municipal registrations must be returned to municipality of origin. Of the tax authorized by 4504.16, receipts from all municipal registrations are retained by the county. For registrations in the unincorporated area of the county levied under ORC 4504.15 and 4504.16, 30% of receipts must be returned to the township of origin.

(3) Total county permissive tax includes interest income not reflected in first three columns.

(4) Municipal receipts include revenue collected from 4504.06, 4504.17, 4504.171, and/or 4504.172 as well as the portion from county levy 4504.15, if applicable.

(5) Township receipts include revenue collected from 4504.18 and/or the portion from county levies 4504.15 and 4504.16, if applicable.
