ASSOCIATION NEWS

CCAO/OSU EXTENSION REGIONAL SEMINARS CANCELLED

Due to a low attendance, the CCAO and OSU Extension Regional Seminars that were scheduled around the state the week of October 25 have been cancelled.

OHIO PUBLIC EMPLOYEE RETIREMENT SYSTEM - COUNTY COMMISSIONERS HANDBOOK CHAPTER UPDATED

Over the decades, CCAO has published four editions of the *County Commissioners Handbook* and distributed copies to all counties. Since the first edition, the *Handbook* has grown to nearly 1,000 pages and publishing an updated copy of all chapters in a timely manner is nearly impossible. Due to technology changes and the high cost of publishing a hard copy, the *Handbook* will be published on our website.

Recently, Chapter 68 – Ohio Public Employer Retirement System was updated. A revised copy has been published on the CCAO website at www.ccao.org > Publications > County Commissioners Handbook or click on the story on the front page about the *Handbook* chapter update. Questions about Chapter 68 may be

directed to Cheryl Subler, Managing Director of Policy, at (614) 220-7980, (888) 757-1904 or csubler@ccao.org.

COUNTY DATA EXCHANGE BULLETIN PROVIDES ORGANIZATION OF COUNTY JOB & FAMILY SERVICE DEPARTMENTS

Attached to this edition of CIDS is County Data Exchange (CDE) Bulletin 2010 – 09 which provides the current designations of how various human service programs are administered at the local level. Commissioners may have the County Department of Job and Family Services (CDJFS) administer not only public assistance programs, but also children services, child support, and workforce development. As an alternative, commissioners may designate stand alone public children service agencies, child support enforcement agencies, and workforce development agencies to fulfill these functions. Commissioners also may designate any public or private entity to serve these roles. Any changes in designations must strictly follow the provisions of ORC Section 307.981 and Ohio Administrative Code Sections 5101:9-1-22 and 5101:9-1-23.

CDE Bulletin 2010 – 09 is posted on www.ccao.org. Click on the story on the front page or go to Publications > County Data Exchange Bulletins. Any questions regarding the attached bulletin may be directed to Brad Cole, CCAO Managing Director of Research, at (614) 220-7981, (888) 757-1904 or bcole@ccao.org.

The seminar will begin sharply at 9:30 a.m. and will conclude promptly at 12:30 p.m. Registrations will be accepted only by email. Seminar information is posted on our website at www.ccao.org. OSU EXTENSION ACTIVITIES

NOW THAT EMERALD ASH BORER IS HERE WHAT IS THE PLAN?

As of September 8, all 88 counties of Ohio are quarantined as a result of the Emerald Ash Borer (EAB). The quarantine stipulates that ash materials and hardwood firewood cannot be taken from a quarantined area into a non-quarantined area. Despite the fact that quarantining the whole state will allow for ease of movement of ash materials and hardwood firewood, it is recommended that Ohioans continue to exercise caution when moving these materials.

The federal quarantine, enforced by the U.S. Department of Agriculture, remains in effect. This quarantine makes it illegal to transport ash trees, parts of ash trees and all hardwood firewood out of the state of Ohio.

Ash trees infested with the emerald ash borer typically die within five years. The EAB belongs to a group of metallic wood-boring beetles. Adults are dark green, one-half inch in length, one-eighth inch wide and fly from early May until September. Larvae spend the rest of the year beneath the bark of ash trees and leave D-shaped holes in the bark about one-eighth inch wide when they emerge as adults.

Now that Ohio has been declared quarantined by the Ohio Department of Agriculture, what should we expect in the way of damage to not only the ash trees but the impact of the loss of ash trees on other shrubs and trees? In addition, what will be the impact on birds and wildlife?

EAB INFORMATIONAL PROGRAM: To help answer these and other questions regarding the direct and indirect damage done by the EAB, OSU Extension Greene County and the Greene County Master Gardeners are offering an informational program on **Wednesday October 27** from **9:00 a.m. to 1:00 p.m.** at the **OSU Extension Office, 100 Fairground Road, in Xenia.** Topics to be presented: “Mechanisms of Host Resistance to The EAB” and “Ecological Impacts of Widespread Ash Mortality in Cities and Forests.” Registration fee (payable at the door): \$10 per person or \$5 for students. For more information call (937) 372-9971 or email Barb Mills at mills.35@cfaes.osu.edu or www.greene.osu.edu.

Bulletin 2010-09

October 22, 2010

ORGANIZATION OF COUNTY JOB AND FAMILY SERVICE DEPARTMENTS

County commissioners are given broad discretion with respect to how various human service programs are administered at the local level. Commissioners may have the County Department of Job and Family Services (CDJFS) administer not only public assistance programs, but also children services, child support, and workforce development. Conversely, commissioners may designate stand alone PCSAs, CSEAs, and WDAs to fulfill the child support, children services, and workforce development functions. Commissioners also have the option to designate any public or private entity to serve these roles. Often these county departments are referred to as double, triple, or quadruple combined agencies. Yet, regardless of which entities a county designates to perform these roles, each entity must follow all legal requirements. Commissioners may change the designation, but must strictly follow the provisions of ORC Section 307.981 and Ohio Administrative Code Sections 5101:9-1-22 and 5101:9-1-23. The following table shows the current designations.
