CCAO is pleased to offer a one-hour webinar on October 10 at 9:30 a.m. on “Next Generation 9-1-1 and ESINet Steering Committee Update.”

Ohio 9-1-1 Administrator Rob Jackson will give an update on the recent activity from the Ohio ESINet Steering Committee. The update will cover the recently approved Transition to Next Generation 9-1-1 (NG9-1-1) Ohio Revised Code recommendation and an update on the Federal 9-1-1 Grant. Additionally, he will offer a recap of other important activity from the Ohio 9-1-1 Program Office that directly affect the counties.

Webinar topics:

Update on the current status of the ESINet Steering Committee actions:
- Transition to NG9-1-1 ORC Recommendation and Federal Grant
- Update on the Ohio 9-1-1 Program Office – Support and Compliance Program
- Update on other activities and open forum questions

Speaker: Rob Jackson is the Ohio 9-1-1 Administrator. The Ohio 9-1-1 Program Office, a division of the Ohio Department of Administrative Services, began operations in 2015. Rob is a 25-year veteran of the Ohio State Highway Patrol and former commander of the Technology and Communication Services Section. Rob served as Ohio LEADS chair and Ohio AMBER Alert Advisory Committee chair, and also served as a member of the OHLEG Steering Committee and the Child Abduction Response Team Committee. He holds a Bachelor of Specialized Studies Degree from Ohio University and a Master of Public Administration Degree from Marist College.
